

Vietnam-West Virginia Energy Webinar

West Virginia Participants

Daniels Company (West Virginia) Inc.

Wally Schultz, President

[wschultz@daniels-wv.com](mailto:w Schultz@daniels-wv.com)

Industries Served: Mining

Products: Coal preparation and material handling contractor.

Eagle Research Corporation

John Booth, Director of Sales and Marketing

johnb@eagleresearchcorp.com

Industries Served: Oil & Gas

Products: RTU's (Remote Terminal Units), Flow Computers (EFM), Volumetric Flow Correctors (EFC), Electronic Pressure Recorders (EPR), Data Collections & SCADA Solutions for Natural Gas

Englo, Inc.

Tim Warden, President

twarden@engloinc.com

Industries Served: Mining, Oil & Gas

Products: Dust extraction, Dust Control and Suppression

Industrial Bolting Technologies

Mike McCown, President

mike@industrialbolting.com

Industries Served: Mining, Oil & Gas, Power Generation

Products: TorsionX Hydraulic Torque Wrench

JH Fletcher & Co.

Greg Hinshaw, CEO

ghinshaw@jhletcher.com

Industries Served: Mining

Products: Underground mining mobile equipment (Drill Jumbo, Powder Loader, Scaler, Bolter, Supply Tractor, Utility Vehicles, degasification drill, mobile roof support, Tunneling machine transporter, Percussive drill, Rotary drill). Explosion proof options on most equipment.

Phillips Global

Derek Baughan, Group Operations Manager

derek.baughan@bongroup.com

Industries Served: Mining

Products: Miners, shuttle cars, scoops, tractors, locomotives, bolters
